1.2 Werkende Perd: Algemene praktyke / Working Riding: General Practices

- Daar sal verwag word van perde om 'n vooropgestelde baan te ry bestaande uit agt praktiese toetse.
- Die baan moet op so 'n manier ontwerp wees dat dit die perd se gehoorsaamheid, skoling, spring vaardigheid, verlenging van treë, stil staan en 'n gelykmatige temperament kan weergee.
- Geen persoon, buiten die beoordelaar of baan ontwerper soos aangestel deur die Skou organiseerders mag die baan verander nie.
- As 'n perd volstrek weier om in te gaan, 'n toets te ry of af te handel sal so 'n perd nul punte verdien of mag geëlimineer word.
- Enige perd wat die baan verkeerd ry of 'n ander toets ry as waarvoor gevra was sal na voltooiing van die baan geëlimineer word.
- As die basiese baanwerk (*flat work*) (bv. sirkels, eenvoudige transisies, figuur agt ens.) nie korrek uitgevoer word nie, sal dit nie lei tot eliminasië nie maar sal wel afgemerk word.
- Enige perd wat enige gedeelte van die volledige baan oefen voor aanvang van die klas sal geëlimineer word van die kompetisie.
- Oppervlakkige wonde en klein letsels sal nie noodwendig in ag geneem word nie.
- Wanneer perde 'n gelyke telling het, moet **Styl en Maniere** se punte toekenning die wenner bepaal. Indien daar enige verdere gelyke punte is sal punte vir **Konformasie en Vryheid van gebreke** die wenner bepaal.
- Die puntetelling moet op 'n offisiële Werkperd puntekaart aangeteken word en moet ten toon gestel word na afloop van die kompetisie.
- *Horses will be required to negotiate a course of eight tests that should be of a practical nature.*
- *The course should be designed to demonstrate that the horse is obedient, well-schooled, and able to jump, lengthen paces, stand still and show a steady temperament.*
- *No person, other than the judge or course designer appointed by the Show organising committee is permitted to alter the course.*
- *If a horse categorically refuse to enter, negotiate or complete any test, it will score a zero mark or can be eliminated.*
- *Any horse taking the wrong course or negotiating another test, which were not asked for, will be eliminated after completing the course*
- *If the flat work (e.g. circles, simple changes, figure of eight, etc.) is incorrectly carried out, it is not an elimination, but is marked down.*
- *Any horse found practising any part of the complete course prior to the commencement of the competition will be eliminated.*
- *Superficial wounds and minor blemishes will not necessarily be taken into account.*

- In case of a tie, the **Style and Manners** mark should be used to determine the winner. In case of a further tie, the **Conformation and Soundness** mark will determine the winner.
- The competition must be scored on the official Working Riding Horse score sheet and must be displayed at the completion of the competition.
